ABOUT CICA MISSION

CICA represents and speaks for the construction industry on technical, legal and political matters of international concern and provides a forum for fellowship, cooperation and interaction with member federations and linked institutions.

WHY JOIN US

CICA promotes investments in engineering and building that enhance both our environment and the quality of life for all. CICA encourages the exchange of experiences, information and technical knowledge.

Our Influence

Work with like-minded business representatives from all over the world on global issues. Broaden the reach of your organisation's policy advocacy, strengthen your international influence at worldwide top level and influence the shaping of CICA's policy.

Our Network

Develop your own network with key players and have opportunities to participate in key CICA Events and Missions with international financial institutions like the World Bank, the IMF but also to the B20 Summits, United Nations, OECD Events, African Development Bank, Asian Development Bank, including FIDIC, DRBF, ICC, UNECE etc.

Our Expertise

Be directly informed of new developments of the Construction Industry worldwide and obtain the latest intelligence and private sector perspectives on key global policy issues for world construction business.

CICA'S BENEFITS

Members of CICA are able to attend CICA Council Meetings and will be encouraged to participate in specific CICA contacts with leading representatives of International Financial Institutions, of the United Nations, special government agencies, and more.

CICA's working groups gather multidisciplinary international experts from construction companies to discuss specific topics and issues. CICA regularly invites guests to participate to its works and make presentations on a particular subject be it through informal exchanges or on the occasion of round tables.

Public-Private Partnerships

ABOUT CICA MEMBERS

“The exchange of points of views and experiences of people from different countries working together has [...] been the driving forces for the development in the changes that we are working on.”

Emre Aykar, President of CICA
